

Distribution to Participants of ABU-Rai Days 2025

Children and the Media: Ensuring Relevance for Public Media in the 21st Century.

Dear Colleague,

Greetings from RAI & ABU! Thank you for participating in the 7th ABU-Rai Days.

Please visit <https://www.abu.org.my/eventer/abu-rai-days-2025/> for updated program.

Day	Date	Time	Conference Room
Conference Day 1	12th June 2025	09:00 – 17.00	Rai TV Production Centre, Naples
Gala Dinner		19:30 – 22:00	Royal Palace, Naples
Cultural Visit Day 2	13th June 2025	09:00 – 13.00	Meeting point Rai TV Production Centre, Naples
Lunch		13:00 – 14:00	Rai TV Production Centre, Naples

To ensure your participation is smooth, please take note of the following:

VENUE OF THE CONFERENCE

Rai TV Production Centre - Naples

Via Marconi, 9 - 80125 Napoli (NA)

Conference Registration

Rai staff will be at Rai Conference Hall, if you require any further assistance on-site.

Badges will be available prior to the opening of the Conference on June 12th morning from 8.30 directly at **CPTV Naples**.

For security reasons, please bring your passport or ID card to register at Rai Security Reception Desk and collect your entry badge.

Badge is strictly personal and must be shown during Conference in the venue at all times. Food and/or beverages in the Conference Hall are not allowed.

At the end of Conference, please remember to get your ID or Passport back at the Rai desk. (non facciamo lasciare nè passaporti nè carta di identità. L'accesso sarà da foyer e non dai tornelli). Questa parte può pure essere omessa.

GALA DINNER DRESS CODE

The Gala Dinner will be held on the rooftop of “Circolo Nazionale dell’Unione” to the Royal Palace in Naples, an amazing location. The dress code is: business formal.

The cultural visit: This is a guided tour to Pompei archeological site, therefore please dress for warm weather and wear comfortable shoes.

Cultural Visit Details:

- **MEETING POINT:** Rai TV Production Centre, via Marconi 9
- Tour will begin at 9.00
- Day: Friday 13th June
- Delegates will be picked up at their hotel at 8.00
- The tour will last approximately **two hours**

The tour will be in English and guided by official tourist guides to discover Pompei

Entry Visa in Italy

Please make sure that you have proper travel documents for entering the country. **Visa on arrival is not available**

Please, verify the mandatory formalities to grant a visa for Italy at the following link:

<https://vistoperitalia.esteri.it/home/en>

<https://www.esteri.it/en/servizi-consolari-e-visti/ingressosoggiornoinitalia/>

Travel Insurance

Please ensure that you purchase an appropriate travel insurance to cover your visit to Naples.

You will be taking a significant risk if you do not purchase your personal travel insurance.

The ABU or Rai **will not be responsible** for any claim arising from problems and/or consequences that may arise during the trip to Naples and your stay.

Refreshments

As a part of the conference, lunch and tea / coffee (refreshments) will be provided.

Please wear your name badge at all times.

Please note that no beverages or food allowed in the Conference Room.

General Info

The local currency is the EURO. Please note that the currency rate is subject to exchange rate.

Please refer to <https://www.oanda.com/lang/cns/currency/converter/> for latest exchange rates.

We recommend you to exchange currency at the airport.

HOW TO REACH NAPLES

Direct flights to Naples

- **Naples Capodichino International Airport** is around 20 minutes away from the city centre. <https://www.aeroportoedinapoli.it/en/> (you can download an app of the airport).

A special shuttle bus connects the airport to the city centre and viceversa (5 € one way trip) (<https://www.aeroportoedinapoli.it/en/by-bus>)

Alibus stops at:

From the Airport: Piazza Garibaldi (Central Train Station) - Immacolatella/Porta di Massa and Molo Angioino/Beverello (Sea Station)

From the Port: Molo Angioino/Beverello (Sea Station), Immacolatella/ Porta di Massa stop (inside Port), Varco Pisacane (in front of Port Authority), Piazza Garibaldi (Central Train Station) and Capodichino Airport.

Transfer time (in case of no traffic)

Airport - Central Train Station and viceversa: 20 min approx.

Airport - Port and viceversa: 35 min approx.

It is also possible to buy Alibus ticket at the airport, at the vending machines, located on the ground floor of the arrivals area.

Flights to Rome and fast train to Naples

- **ROME FIUMICINO AIRPORT**

<https://www.adr.it/web/aeroporti-di-roma-en/pax-fco-to-and-from>

<https://www.adr.it/web/aeroporti-di-roma-en/pax-fco-train>

Should you arrive in Rome Fiumicino airport, note that there is a connection between the airport and Termini train station via Leonardo Express (approx. 32') and one direct connection from the airport to Naples Centrale.

From **Termini train** station to Naples Centrale train station, you may take a fast connecting train which will lead you to Naples in around 1 hour 10':

Frecciarossa <https://www.trenitalia.com/en.html>

or **Italo** <https://www.italotreno.it/en>

TAXI IN NAPLES

Authorized Taxi companies in Naples (Taxis are white)

- Consorzio taxi Napoli: 0039 081 8888 <https://www.taxinapoli.it/en/>
- Radiotaxi Napoli: 0039 081 556 4444
- Consortaxi: 0039 081 22 22

PRACTICAL INFORMATION

Climate & Clothing

Naples has an average daily temperatures that goes from 25 to 35 °C

<https://www.ilmeteo.it/meteo/Napoli>

Summer clothing is recommended.

Food

Italian cuisine is very well known worldwide. Enjoy it. You can try a variety of delicious recipes, ranging from traditional Neapolitan dishes and national ones. You can eat everywhere, food is easy to find.

Electricity

Electricity in Italy, as in the rest of Europe, comes out of the wall socket at 220 volts alternating at a 50 cycles per second. Consider making a small investment in universal adapter, which has several types of plugs in one lightweight, compact unit. Most laptops and mobile phone chargers are dual voltage (i.e., they operate equally well on 110 and 220 volts), so require only an adapter. These days the same is true of small appliances such as hair dryers. Always check labels and manufacturer instructions to be sure. Don't use 110-volt outlets marked "for shavers only" for high-wattage appliances such as hair dryers.

Medical Services

Medical services are available in most towns by government hospitals and private clinics. Non-prescription drugs are available at pharmacies as well as supermarkets, and shopping centres.

Should you need special care during your stay please check with your personal health insurance.

Business Hours

The country is run on a normal eight hour-a day system - Sundays are days of rest. Government offices are opened from 9 am to 5 pm on weekdays. Banking hours is generally from 9 am to 5 pm. Department stores are open from 10 to 8pm and supermarkets are opened mostly from 8 to 8 pm. Downtown stores have different opening hours.

EARTHQUAKE INFORMATION

Earthquake Emergency - Behavioral Standards – Rai rules for the Auditorium

The following is a reminder of some behavioral norms in order to deal with emergencies related to earthquake events that may hit the area during performances with audiences in the **Auditorium**.

For this purpose, consistent with the evacuation plans prepared by the local authorities and Civil Defense, some essential points are listed below that summarize the correct behaviors to be taken.

Preventive measures:

During events that take place in the Auditorium in the presence of an audience, Rai systematically prepares some preventive actions:

- **Hall staff:** composed of up to 16 units (depending on the type of event) dedicated to welcoming the public and assisting in evacuation operations during an emergency.
- **Security guards:** up to 4 units (in relation to the type of event) to guard access and evacuation gates.
- **Firefighters:** in compliance with the provisions of the certificate of practicability, a team of 4 elements (including the team leader) is requested from the fire brigade command.
- **Internal VVFF:** in addition to the external team, 2 internal units of the service company qualified for fire supervision are provided. These units will provide appropriate briefings to the firefighting team prior to the performance regarding the Auditorium's firefighting equipment and escape routes.

- **Hall doctor:** a doctor is provided to cope with the first medical intervention in case of need.
- **Persons with disabilities:** a special area of the stalls is provided for these persons with a dedicated unit for specific assistance.
- **Audience information:** shortly before the start of the performance, the Production Manager explains from the stage via the public address system the main behavioral rules to be followed in case of emergency (escape routes, gathering point).
- **Structural monitoring:** the Auditorium is equipped with a network of 11 sensors positioned at critical points of the structure that allow an analysis of its response to seismic stress. The data collected by the sensors are periodically analyzed by specialized personnel from the University of Naples "Federico II" who produce a report on the behavior of the structure.

Behavioral norms to be followed by the public:

WHAT TO DO FIRST

- In relation to the information received, identify the nearest escape route to reach the collection point set up by the plan of the City of Naples at **Largo Barsanti** (corresponds to the space in front of the CNR Motor Institute and the Hotel Palazzo Esedra).

WHAT TO DO DURING

- Remain calm by avoiding helping to spread unverified information.
- Although objects placed overhead in the public area (trusses, lights, etc.) are secured with a double safety system, attention is still urged to be paid to any, albeit unlikely, falling objects from above. **Remain, therefore, seated in your seat and follow any directions from the emergency team.**

WHAT TO DO NEXT

- Evacuate the Auditorium in an orderly manner **following the escape routes indicated by the emergency team** (Fire Department and hall staff). During the evacuation proceed:
 - o Opening doors very cautiously, moving with extreme caution, assaying the floor, stairs and landings before venturing over them.
 - o When in doubt, check the tightness of the floor by first resting the foot that does not bear the weight of the body on it, and gradually putting pressure on it.
- When moving outside, move away from other buildings, power lines, tall trees, retaining walls, or otherwise structures that may give rise to subsidence.

HOW TO BE OF HELP TO THOSE IN NEED

- Do not move the very seriously injured and immediately seek help from the emergency team.
- Cell phones should not be used or, if necessary, used only for very brief conversations to leave phone lines clear for rescue.
- Avoid using a car to leave the roads clear for the passage of emergency vehicles.
