

# ABU CON-FEST 2024

2-4 July 2024 | Kuala Lumpur, Malaysia

#ABUdigital

ABU CON-FEST strategically brings together ABU's signature content events; ABU TV-CON, ABU RadioSonic and #ABUdigital, all in one place, with the vision to create a single gathering of producers to share experiences and talk about creating content that matters. The event will include masterclasses, workshops, and networking opportunities, along with discussions, presentations, and exhibitions!

ABU TV-CON is a conference and a convention of the TV producers, by the TV producers, for the TV producers! It features great presentations and discussions by past ABU Prize winners as well as top media creators. ..."

ABU RadioSonic bring together radio and audio content expertise from across our region and around the world to share experiences, showcase new content initiatives and workshop solutions to common challenges...."

#ABUdigital

ABU's premier digital media and content show #ABUdigital is a one-stop comprehensive event for all things digital, featuring thought-provoking keynotes and expert talks to provide an exciting learning space for ..."
